Frontend developer with over a year of experience developing web apps in JavaScript and TypeScript, as well as frameworks such as ReactJs and NextJs.

My goal is to work in a dynamic workplace where I can apply my knowledge and skills to help the company and myself grow.

Skills

Languages: Fluent in HTML, CSS, Sass, JavaScript, TypeScript
Frameworks: Experience with React, Redux, Tailwindcss, Material UI
Tools: Experience with Git, VSCode, Figma, Jira, Netlify

Professional Experience

Frontend Engineer at Ossix Technologies • *Kigali, Rwanda • February 2021- Present*
- Developed pixel-perfect, responsive, and cross-browser compatible user interfaces using ReactJs, Next.js, and Typescript in collaboration with the design team.
- Modified existing software to correct errors, upgrade interfaces and improve performance.
- Wrote end-to-end test and unit test to ensure that the frontend and supporting backend architecture functioned appropriately.

Education and Certifications

The Adventist University of Central Africa • *June 2018 - September 2022*
B.S of Information Technology in Software Engineering
